# MORTEZA BAKHSHANDEH

A WEB DEVELOPER

Website: BakhshandehMorteza.ir

## SUMMARY STATEMENT

As a Front-End Developer with 3 years of experience, I specialize in crafting responsive, accessible, and user-centric web applications using modern technologies like React, Next.js, TypeScript, and TailwindCSS. My expertise in creating seamless user interfaces with HTML, CSS, and JavaScript is complemented by a strong foundation in version control and collaborative development with Git. With a passion for delivering high-quality, customer-focused solutions, I bring an added edge with my skills in graphic design, ensuring visually compelling and functional designs. And to top it off, I've sharpened my problem-solving abilities by conquering 1,095 katas on Codewars, showcasing my commitment to continuous learning and excellence.

## WORK EXPERIENCE

### Internship Front-End Web Developer at

Apr 2022 – May 2024

Magic team / Shiraz

Transformed user experiences by designing and developing dynamic, responsive web pages.

- **Technologies Used:** React, Next.js, TypeScript, JavaScript, HTML, CSS, and SASS.
- **Styling:** Implemented modern and responsive UIs using Styled-components, TailwindCSS, DaisyUI, and Material UI.
- **Data Visualization:** Integrated D3 for interactive data visualizations.
- **Version Control:** Managed codebase using Git and GitHub, maintaining clean and consistent coding standards.
- **Testing:** Developed unit tests to ensure the reliability of React components.
- **Optimization:** Enhanced performance with Vite for fast and efficient builds.
- **Additional Skills:** Applied FP and OOP principles, and utilized jQuery for legacy support.
- **Cross-Platform Development:** Developed mobile applications using React Native.
- **Database Management:** Integrated MongoDB for backend data handling.

## CERTIFICATIONS

- Responsive Web Design ----- January 7, 2024
- JavaScript Algorithms and Data Structures ----- November 24, 2023
